

My Way

My Way

*...I've lived a life that's full
I traveled each and every highway
and more, much more than this,
I did it my way...*
Frank Sinatra

My Way is a fast Admiral yacht, built to the highest Italian standards of safety and elegance.
With its revolutionary planning hull and cruising speed of 26 knots,
My Way makes short work of island-hopping. It promises to offer you an unforgettable cruising trip in luxury.

The impressive and spacious salon is dressed in polished rose wood and fine Italian soft fabrics. It is the most suitable place to relax!

The spacious dining area which is separate from the salon, contains a table and leather seats for ten guests.

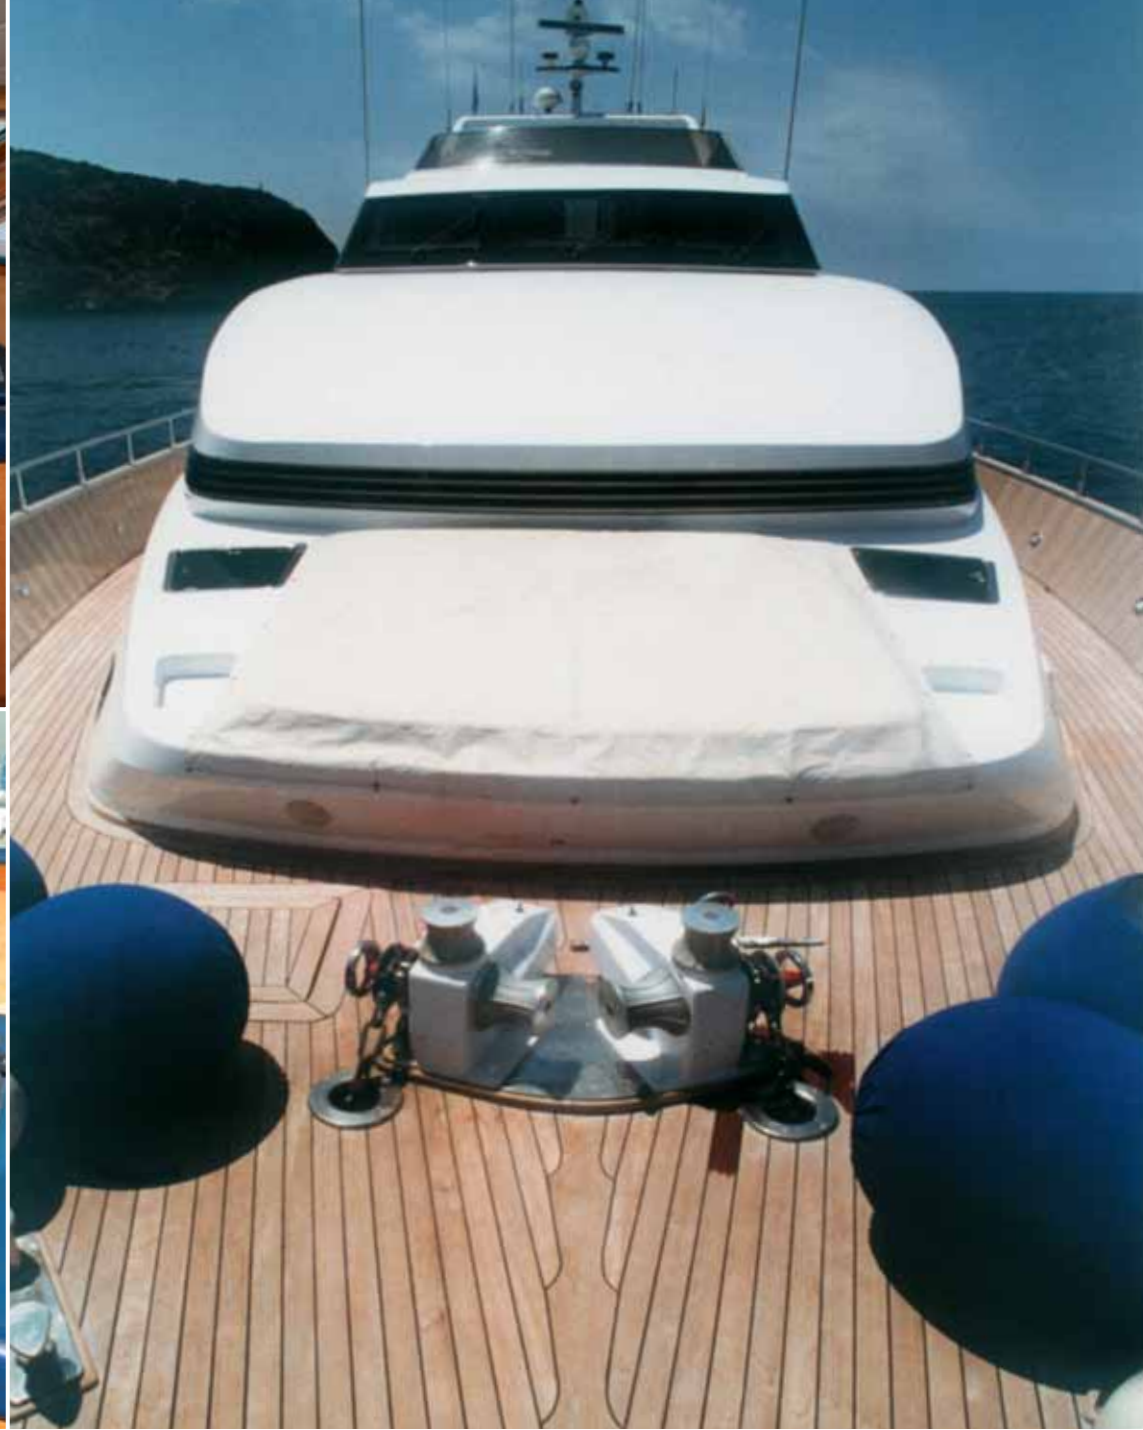

My Way accomodates eight to ten guests in four spacious staterooms. The Master and the VIP contain queen size bed, CD player, Satellite TV, settee and big walk-in wardrobe. The two identical twins can be converted to doubled bedded. All staterooms have en suite facilities.
